

AACT wants to help your theatre
bestow a special honor within your community.

The AACT Spotlight Award must be confirmed by the AACT Awards Committee, but the criteria are very broad.

- ★ It is designed to help AACT organizational members pay tribute to an individual or organization for long or special service.
- ★ The Spotlight Award should not replace any acknowledgement the theatre might otherwise make, nor should it be simply for last season's acting or technical work or outfront activities.
- ★ It should recognize outstanding dedication, service, or contribution to your theatre by a volunteer, staff person, or supporter.
- ★ It is for that special person, business, or group whose contributions have made a significant impact on the quality of your theatre.

AACT will provide a frameable/mountable certificate and will attempt to send a presenter, if desired. The award can be presented any time. In addition, AACT will list the recipients in *Spotlight* and the AACT website at www.aact.org/awards/index.html.

Nominations for awards must be received in the AACT office at least three months prior to the planned presentation date.

For additional information contact the AACT office at 817.732.3177, toll free 866.Our.AACT(687.2228), or <info@aact.org>.
